

## How to Keep Unemployment Claim Costs Down: The Pre-Employ.com Way!

**Just because unemployment is on the rise does not mean that your Human Resources administrative budget should follow.**

High unemployment rates and shrinking HR departments are a recipe for disaster. Fortunately, there is way you can protect your company from this current trend. Pre-Employ.com offers Unemployment Insurance Claims Management for overtaxed HR departments. Literally!

Working with Pre-Employ.com to manage your unemployment claims, is an excellent way to keep your budget and unemployment claim losses to a minimum.

### Benefits With Pre-Employ.com:

#### Timely Claims Admin

A fast and organized response to unemployment claims is the key to winning unemployment claims. Pre-employ.com's experienced staff will work all claims (no claim-dumping) right from the beginning to insure that you are getting the best service and best results.

#### Services Designed to Meet Your Needs

At Pre-Employ.com, our services are designed to enhance your complete I-9 compliance process. Not only do we help manage the I-9 process, we also support many HR-related capabilities as well.

#### Contact Us

Contact Pre-Employ.com today for more information on how to save your company from unnecessary unemployment claims losses at [www.pre-employ.com](http://www.pre-employ.com) or call us at **(800) 300-1821**.

#### Decreased Claims Expense

Your win rate will increase and your claims expenses will be lowered through state of the art claims administration, experienced hearing representation and timely tax audits provided by the dedicated team of experts at Pre-Employ.com.

#### Lowered SUTA Rate

Pre-Employ.com is able to lower your SUTA rates by reducing claims through superior claims management and will work to ensure that these tax rates are correctly lowered.

#### Fully Transparent Reporting

The goal of Pre-Employ.com is to reduce your claims expense as well as your impound accounts and SUTA rates. With our web-based reporting, you can see these results across multiple locations.

#### Pay As You Go

Another way that Pre-Employ.com saves you money is by providing a pay as you go service to handle your unemployment claims. You will only need to pay for services you use rather than the monthly minimum most other providers require

#### The Numbers Explain It All

By using Pre-Employ.com, a major transportation company had a drop in their average SUTA rate from 3.24% to 2.3% between January 2007 and December 2007. This Resulted in bottom line annual savings of over \$5,000,000.

In 2008 the same company had a hearing and claim win rate of 91% with a \$3 million dollars in Unemployment Insurance tax liability. This is an impressive reduction of their insurance tax liability of over \$15 million dollars.
